

Forget the Hassles of Acquiring Cyber Insurance. With OmniWATCH Pro[®], You're Pre-Approved!

Securing cyber insurance coverage is often tedious and complicated. But it doesn't have to be.

Emerge's managed services solution, OmniWATCH Pro, has been thoroughly vetted by Converge Insurance, one of the nation's top cyber insurance firms. This means that OmniWATCH Pro customers gain pre-approval for ConvergeConnect[™], an industry-leading, comprehensive cyber insurance program.

OmniWATCH Pro customers also benefit from a simplified underwriting process, cost-effective pricing, and expedited coverage binding—often within 24 hours.

Converge is backed by QBE insurance papers, an AM Best rated A++ global insurance company. ConvergeConnect is brokered by Amwins, one of the largest independent wholesale distributors of specialty insurance products in the U.S.
